

EFLM TASK GROUP YOUNG SCIENTISTS

Join newly formed EFLM Young Scientists Task Group!

Are you a young scientist, resident, or young professional in
Laboratory Medicine?

Are you interested in making connections with your colleagues in
Europe?

**Join us at the
online kick-off meeting**

of the EFLM Task Group Young Scientists!

All mentors and leaders that consider young scientists as important colleagues are also warmly welcomed.

June 18, 2021, 14:00 – 15:00 CET

@ Zoom

Add this event to your calendar

Kick-off meeting will gather young scientists, residents, and all young professionals in Laboratory Medicine from all EFLM functional units and EFLM countries.

Joining the EFLM Task Group Young Scientists is a great opportunity to meet colleagues all around Europe, present new ideas and build a communication network between young scientists.

If you are interested in promoting EFLM activities, organizing social, scientific, and educational meetings, you are in the right place to ask questions and get answers! 😊
